

SCA High School Required Apps & Supplies 2017-18

School Supplies:

Supplies are required by specific classes. Teachers will specify supplies needed for their class on the first day of school. The majority of classes only require folders, notebook paper, and black/red pens.

All students are required to have an iPad for the 2016-17 school year. iPads should be in a protective case and labeled with the student's name.

REQUIRED iPads Apps for High School:

No action is necessary for school-managed iPad users as apps will be distributed via the management process.

These apps should be downloaded on the student's iPad by the first day of school. **Students need to bring their personal iPad to the Technology Coordinator to gain access to wireless on campus.**

Please visit www.scacrusaders.com to review iPad Program Manual (under the Technology Tab).
