### MAKING SENSE OF DOLLARS RAISED

The Lord has been faithful in meeting the needs of our school family, and we thank Him! 2017 was a great year for development at SCA.

We want to take a moment to thank you for your support of our school. It's no secret that today more than ever, Godly men and women are needed to stand for the Lord. With the help of our supporters, we are training young men and

women to be world changers for Christ. You may never see the impact of your investment this side of heaven, but rest assured, you are impacting eternity! At Seffner Christian Academy, we are committed to wisely stewarding gifts from our supporters.

Thank you for partnering with us. May God bless you for your generosity!

## THE HELPING HANDS PROJECT

For nearly 20 years, the students of SCA have participated in this unique all-school fundraiser, The Helping Hands Project. This is a project where family, friends, and sponsors support our students as they participate in various service projects on and off our campus. Funds raised from Helping Hands upgraded fencing around campus. Some of the projects the students have completed in our community are: crafts for nursing home residents, letters for troops, and serving at Florida Baptist Children's Home.

SCA students are always a great representation of the school and the Lord. They enjoy giving back to the community!

# Flannel and Frost Event

## SECOND LIVE AUCTION AND DINNER A GREAT SUCCESS!

On Saturday, December 2, SCA held their live dinner and auction event at the Puleo Farm in Lutz, Florida. Guests were awed by the beautiful Christmas themed decor which set the tone for an incredible night. After delicious appetizers and a barbecue dinner, approximately 200 guests participated in both a silent and live auction! The silent auction was held outside on the lighted tennis courts, and included an array of baskets, gifts, and trees. The fast paced, live auction completed the night. Many items were auctioned including goods, services, and events.

A highlight of the evening was the "Call From The Heart" when people gave because they believed in and supported the mission of SCA. All \$85,000 raised at this year's auction went toward security enhancements on our thirty seven acre campus, including upgraded door locks, additional cameras, and improved perimeter fencing.

We are thankful for all of our corporate sponsors, table sponsors, attendees, donors of goods and services, AND those that gave to make this event an incredible success!
