We have changed our format and will no longer be consigning uniforms. Only items in good condition will be accepted. Please continue to check our website (SCAcrusaders.com) about upcoming information on this sale.

**The school supply list is now available to download on our school website at
SCAcrusaders.com**

UNIFORM POLICY CHANGE FOR ELEMENTARY BOYS

K-5 thru 5th grade boys will be allowed to wear uniform shorts next school year. Last year, shorts were only allowed thru 3rd grade, and there were designated months that they were to be worn. This year, they can be worn anytime throughout the year, and this will include boys in all elementary grades. We do want to remind our parents that the only shorts allowed are the uniform shorts purchased from Educational Outfitters. Our parents were tremendous last year in their cooperation with this policy, and we hope to have the same positive experience this year as well. Please contact the school office if you have any questions.

SCHOOL BUS UPDATE & ADDITIONAL LOSSES

Thank you for all your prayers and phone calls regarding our bus fire. We are waiting to find out the amount we will receive to purchase new buses. Please continue to pray that we will find buses that will meet our needs and that we can financially afford. Also lost in the fire were 2 mowers and a drag rake machine, all used to maintain our athletic facilities. The SCA Athletic Department is looking to borrow or rent a commercial-type mower (Dixie Chopper, Hustler, etc.) for one day each week for the next couple of months until insurance money comes in and allows us to purchase new mowers. This is very important to be able to maintain our athletic facilities. If you would be willing to help, or know someone that would be willing to help, please contact Mr. Holmes at ext. 225 or aholmes@scacrusaders.com.

STUDENTS NOT RETURNING TO SCA

We ask that any student not returning to SCA for the 2009-10 school year please contact the school office so that your records are handled correctly.

IMPORTANT CALENDAR CHANGE FOR NEXT YEAR

We are adding one extra day to the 2009-10 school year, which means High School Graduation and our last day of school will be Friday, June 4. By adding an extra day, we can get all our exams in during the week of June 1, as opposed to having to start them on Friday, May 28. Please make these changes on your calendars.

ATHLETIC DEPARTMENT IMPROVEMENTS

SCA is needing new team bench chairs for the gym. The approximate cost of the chairs is \$3,000-3,500. If you are interested in helping our Athletic Program obtain the chairs, please contact Mr. Holmes at x225 or email aholmes@scacrusaders.com.

Please visit our website @ www.scacrusaders.com for additional information.

PARENTING TIPS:

From the Biblical Parenting Organization: www.biblicalparenting.org

It's Like a Bonsai Tree

The word "discipline" used in the Old Testament is translated from the Hebrew word "chanak" and means "to train." Training implies guidance to a particular goal.

I remember visiting a bonsai exhibit with many small beautiful trees, each in their own pot. Next to each tree was a card telling the story of that particular tree. In particular, I was interested in how long the training had been going on. Many had been in process for 30-40 years and one began its training over 100 years ago.

Training takes time. Too much force will break a branch and too little care returns the plant to the wild. The same is true with children. Firm consistent discipline is needed to guide and direct kids. Some parents are tempted to have a few big consequences to "really make an impression on this kid." Rather, many small corrections and consequences would be more effective.

Many of the problems children have are either behavioral habits or character deficiencies. It would be nice if they could have a "burning bush" experience that would change their lives instantly, but it usually doesn't happen that way. Even Moses had to spend forty years in the desert as a shepherd leading sheep before he was ready to lead people.

Change takes time and many small corrections and reminders can contribute to long-term change in your child. So choose a character quality your child needs, define it, think of ways to implement it, and pray that God will use your daily words and actions of correction to help your child make the heart changes necessary.
