Dear SCA Seniors and Families,

Welcome to your final school year at Seffner Christian Academy! This email has some important information for you regarding Senior Pictures and Senior Yearbook ad pages. Please take the time to carefully review this information!

#### **Senior Portraits**

**When: August 22 & 23** You should have received an email with your designated appointment date and time; please check your email. If you have not received that time and date in your email, you may email Londa Davis at [ldavis@scacrusaders.com](mailto:ldavis@scacrusaders.com) to obtain that date and time. Please be sure to be on time to your designated appointment!

**Where: SCA gymnasium**

**Cost: \$25 sitting fee** due at the time of the photo. Please make checks payable to Strawbridge Studios. The sitting fee may NOT be put on the school account.

**What to wear:** On the day of the photos, please wear your **school uniform**. Seniors will be photographed in their cap and gown, a formal drape (provided by Strawbridge Studios), and in a casual pose.

- Each student is allowed to bring **two** casual outfits for their personality photos. Make sure that your clothing of choice meets school standards in modesty and statement (no rock music t-shirts, etc.) Administration will be on hand to approve outfits.
- Ladies: For casual photos, you may wear a dress (knee length) or dress pants and a dressy top. Please no jeans.
- Gentlemen: Please come clean shaven. Bring a white dress shirt and a tie for the cap & gown photos.

**Other info:** The Strawbridge Studios is the only school approved photographer for the yearbook photos that appear in the front of the yearbook. Any other Senior portraits that may be done by an outside studio may be included in the Senior ad pages in the back of the yearbook. All photo packages will be available online about two weeks after the pictures are taken. Once photos are available, an access code for viewing and ordering will be sent to you via email.

## **Senior Yearbook Ad Pages**
