Junior Class Rings

Good Morning Juniors and Parents,

This morning, the Balfour representatives met with our juniors to discuss class rings. A packet of information and catalog has been given to all juniors. There are extra packets available in the high school office with Mrs. Davis if needed. All of the information can also be found at www.balfour.com. Class rings are not a required purchase for students. This is an option that Balfour provides to all juniors. **The reps will also be back on campus on September 11 and 12 during high school lunch to take questions or place orders.** You do not have to place the order in person. You can order through the website at anytime.

Please let Mrs. Davis or myself know if you have any questions. Have a great week!

Mrs. Mallory Everitt, M.A.
Director of Guidance & Enrollment Services
Seffner Christian Academy
