Yes, students will need two locks: one lock for the locker upstairs and one for the PE locker in the gymnasium

8. How do I order my lunch?

Upon entering the cafeteria on the first day of school, the cafeteria staff will be available to assist with lunch orders. Lunches can be ordered each morning or by the week. The lunch menu is posted on the school website for review.

Students will order lunch from the cafeteria before 9:30 am each morning. Lunch orders will be verified using a biometric scanner as students go through the lunch line. After verification, charges will be applied to each family's account at the end of each school day. Payment should be submitted to the SCA Business Office, and

not the cafeteria or teacher. Please ensure the funds for school lunches are clearly designated on checks or with cash payments.

Car line is open until 3:30. Students who do not get picked up from car line at 3:30 pm will be sent to after care for appropriate supervision.

14. How do I contact my student's teachers?

Teacher information is posted in RenWeb and on the school website (under the SCA Team section). The middle school teachers teach 160 students throughout the course of the day, so email is the best and most efficient way to contact teachers and school staff. Please allow at least one full school day for a response.

15. What if my child needs extra help?

The middle school teachers' offer help classes one day a week after school. The teacher will be available for students to drop in to receive additional assistance with content they are learning in class. Help classes are for additional assistance but do not act as one-on-one tutoring. If a tutor is required, please contact Mrs. Kretzer for assistance. A help class schedule will be emailed home to parents in the first middle school newsletter and also posted in the middle school hallway as well as the weekly newsletter. Teachers will also publish help class dates in their syllabus and in their classrooms. Students who wish to attend help class should come to class with a specific question, homework assignment, or concept that they are requiring teacher assistance.

16. How will I know my student's grades and homework?

Teachers update RenWeb grade books **once a week**. Parents and students may log into RenWeb accounts to access student grades. Automated progress reports are also emailed home every weekend. Please allow

teachers one school week to grade papers and enter grades. Middle school teachers grade over 500 assignments per week, so your patience is greatly appreciated as homework and test scores are entered into RenWeb.

Homework is posted for the week on RenWeb by Monday mornings. Please understand that this is a projection of the week's homework. It may change throughout the week due to teachers modifying lessons plans to best fit the needs of their students. Homework will be posted in the classrooms every day, and all students are required to utilize their iPad calendar and record their homework for each class. Teachers will help remind students of this on a regular basis, but it is the students' responsibility to track their homework using their iPad. RenWeb and Moodle are also a great resource for additional class resources and hand outs if they are lost or misplaced.

17. My child is sick. How do I report it to the school and get make up work?

All secondary parents may email or call Ms. Vivi Torres, the records coordinator at vtorres@scacrusaders.com to report the absence. An excuse note or email should be sent to the front office upon the student's return to school. All teachers mark student absences as unexcused until the excuse note is received and the attendance office will change the status of the absences in RenWeb. When students are out sick, they may check RenWeb for the day's homework for make up work (you do not need to email each individual teacher). All in-class assignments will be excused. Students will be responsible to make up homework posted on RenWeb and any scheduled tests or quizzes after their return. Students have 2 school days to make up work and make arrangements with the teacher to make up tests or quizzes. Please see the class syllabus for test make up times.

The disciplinary system is explained in the student handbook which can be found on the SCA website under "School Forms."
