

Summer Guitar Classes

Dear Parents and Students,

I am pleased to be offering a group guitar class for beginning students from 6th grade on up. Students will be given instruction on tuning, chords, strumming, reading music, guitar maintenance, and more. This will be an ideal opportunity for both beginners and those with some playing experience.

There will be six 60 minute group sessions meeting every Wednesday, 10:00-11:00 am beginning June 12th (except July 3rd). The total cost is \$100 with cash being preferred paid in advance. Class size is limited to ten students. No refunds for no-shows or same day cancelations. Please be on time!

Each student must bring their own guitar ready to play along with an electronic tuner, a few *thin* guitar picks, and a small rag (shop rag size). Students with electric guitars must also provide their own amp, cord, and a pair of headphones. I'm happy to assist with replacing strings but we will need to schedule this either before or after class.

Please email me as soon as possible to schedule a spot for your student or if you have any questions.
