

Math Tutoring

Dear Parents and Students,

I will be offering summer math tutoring for students from 4th grade on up. Each tutoring session will provide a review of grade appropriate concepts, practice problems, and fundamentals that will boost student confidence. This will be an ideal opportunity for those who would benefit from some practice and review in preparation for the new school year.

These one on one tutoring sessions are scheduled by appointment only. Fee schedule is \$25 for 30 minutes with cash being preferred paid by the month in advance. No refunds for no-shows or same day cancelations. Please be on time!

Please email me as soon as possible to schedule a time slot for your student or if you have any questions.

Mr. Scott Betts – sbetts@scacrusaders.com
