

## Summer Ukulele Camp

Dear Parents and Students,

Are you wanting to learn a fun instrument you can play anywhere? I am pleased to be offering a group ukulele class for beginning students from 4<sup>th</sup> grade on up. Students will be given instruction on tuning, chords, strumming, reading music, and learning to play lots of songs. This will be an ideal opportunity for both beginners and those with some playing experience.

Ukulele Camp will meet every day 9:00-10:15 am the week of June 24-28th. The total cost is \$100 (cash is preferred) which includes all five 75 minute sessions, a snack, and the packet with all the music from the week. Class size is limited to ten students. No refunds for no-shows or same day cancelations. Please be on time!

Each student must bring his or her own ukulele ready to play along with an electronic tuner and a few *felt* ukulele picks. I'm happy to assist with replacing strings but we will need to schedule this either before or after class.

Please email me as soon as possible to schedule a spot for your student or if you have any questions.
