Good Morning Juniors and Families,

I wanted to communicate to you a change that has been made to the Bright Futures scholarship for the class of **2021** and beyond. SAT and ACT scores have been adjusted. SAT score requirements have increased and ACT requirement for FMS has decreased. GPA, community service, and course requirements all remain the same. These changes do not impact the class of 2020 but begins with the class of 2021 and beyond. Please review the updated requirements from the Florida Bright Futures Scholarship Program below:
