

IGNITE

THE VISION

**"...But tell to the coming generation the glorious
deeds of the Lord, and His might, and the
wonderful works that He has done." Psalm 78:4**

Dear Families and Friends of Seffner Christian Academy,

We are so excited about our IGNITE THE VISION Capital Campaign!! It has been 14 years since our last campaign, and we feel that the time is now to launch this new school improvement endeavor. Since opening our doors in 1983, God has continued to pour out His blessings upon SCA. We are so grateful for His faithfulness and favor these past 35 years, but we are also asking Him to take this ministry to new heights! In order to see those dreams become reality, we must continue to pursue excellence in all facets of our school programs, including the area of facilities. The Lord has given our SCA administrative team a vision for future growth and expansion. On the pages that follow, you will be able to clearly see our vision. Our prayer is that God will move in the hearts of friends, families, alumni and our community to support this project with their prayers and financial gifts, so that this vision will become reality! We thank you for taking the time to look over this information, and we pray that God will honor our efforts to see greater things accomplished at SCA for His glory.

Dear Friends

First Free Will Baptist Church and Seffner Christian Academy are excited to share in the IGNITE THE VISION CAMPAIGN. Seffner Christian Academy is the largest ministry of our church and I am personally invested, as my own children have grown up at SCA and have been impacted by the school. Our desire is that as our church and school share this vision, our friends, families and community will support and stand behind us in this exciting phase in our ministry. As the pastor of First Free Will Baptist Church, I look forward to what God has planned as we live out our mission to provide academic excellence in a Christ-centered environment to impact the world for Christ.

God Bless,

Will Beauchamp

Pastor, First Free Will Baptist Church

On behalf of the members and trustees of First Free Will Baptist, we are thrilled to be a part of the IGNITE THE VISION CAMPAIGN. The church and school are working together to complete phase I of the campaign by building a new campground on the southwest portion of our property, and completing a land swap, allowing us to expand our athletic complex with a new stadium. As we look ahead to the other phases and projects in the campaign, we are mindful that every good and perfect gift comes from above, and we are praying that God will bestow His blessing as we grow the ministry and impact of Seffner Christian Academy. Please pray with us as we begin this exciting journey.

Vision

Seffner Christian Academy opened its doors in 1983, offering preschool through 7th grade classes to 60 students. Over the years, the school has continued to grow and expand, as evidenced by the current enrollment of over 700 students. Seffner Christian Academy desires to provide updated facilities. The IGNITE campaign will raise funding to build new facilities for the areas of academics, fine arts and athletics. The campaign is divided into five phases and seven projects. The PHASES may be completed in sequence as monies are raised. The PROJECTS can be completed anytime funds are made available through fundraising designated for that project. May God add His blessing as SCA moves forward in this exciting new phase of the school.

The mission of Seffner Christian Academy is to provide academic excellence in a Christ-centered environment with a challenging educational program based on the principles of God's Word. Our goal is to train and develop young men and women of integrity who are committed to God and His Word and have a desire to impact the world for Christ.

MASTER SITE PLAN

***All amounts are for general budget proposals only.
Once monies are raised a set of plans will be produced for bidding***

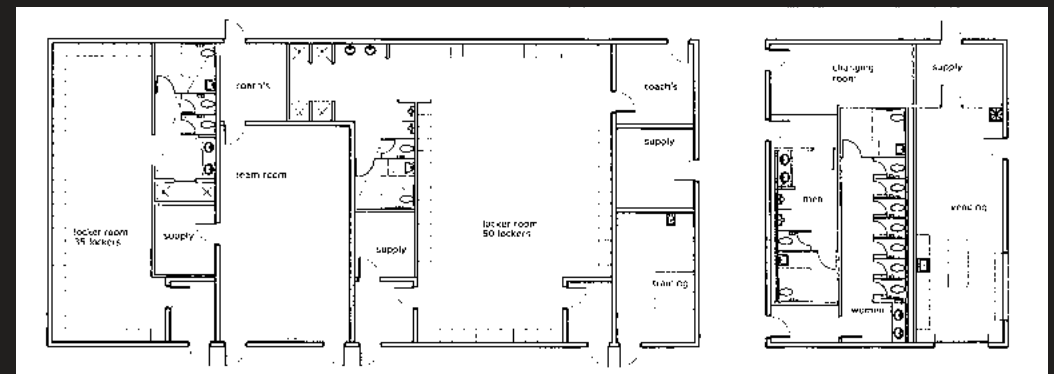

Phase I: FFWBC Campground Relocation | FUNDED

The First Free Will Baptist Campground has been relocated to the southeast portion of the property. It contains 50 sites, a bathhouse, and a meeting hall for its residents throughout the year. The campground is a ministry of the church and provides a place for guests to stay primarily during the winter months and enjoy the fellowship of FFWBC. The campground residents are a great blessing and encouragement to the church each year.

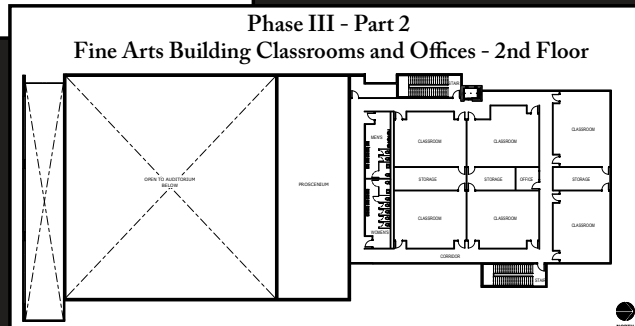

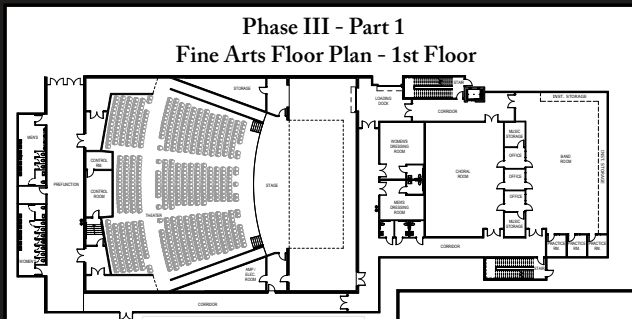

Phase II: Athletic Field House | \$700,000

Seffner Christian Academy will build a 4,200 square foot field house to provide our students, parents and guests with locker rooms, bathrooms, showers, team rooms, a training room and a concession area. This will be a multi-sport facility for the outdoor teams to utilize throughout the year and will be a tremendous addition to our athletic program.

Phase III: Fine Arts/Science Center | \$4,800,000

Seffner Christian Academy will build a 38,000 square foot fine arts and science building. The first floor will include a 650 seat auditorium, stage, choir room, band room, rehearsal rooms, offices and restrooms. The second floor will include six classrooms, labs, restrooms, and offices. This building will allow SCA to expand and enhance its fine arts and science programs.

Phase IV: Athletic Stadium | \$3,500,000

Seffner Christian Academy will build a stadium and track equipped with lighting that will allow for football games, soccer games and track meets to be hosted on our campus. The stadium will also host district and regional events.
