*** Parents are strongly encouraged to apply for Florida Scholarships - AAA and Step-Up while the program exists. However, be prepared to fund gross annual tuition should the legislature change or eliminate the program. The application process is simple; the business office staff can assist you because all students/families qualify.*

SCHOLARSHIPS (Applied to Net Tuition):

Sibling Scholarship (7%) applied to each siblings' annual tuition.

FINANCIAL AID:

All parents with financial need are encouraged to apply for Financial Aid through FAST – a need-based third-party administrator. The school's administration will endeavor to support them up to the recommended financial assistance within the limits of available and budgeted funds.

Need-based financial aid is offered, contingent on available funds. Apply early through the Admission Link.

APPLICATION or RE-ENROLLMENT FEE:

\$200 per child (non-refundable or transferable)

ACCEPTANCE DEPOSIT:

A \$500.00 tuition deposit per student (\$1,000 per family) is required to finalize acceptance. The deposit is applied to tuition in equal payments over the selected payment plan – see below. (non-refundable or transferable)

WITHDRAWALS:

If a child is withdrawn before December 31st, and the account was paid in full, one-half years' tuition will be refunded; after January 1st, no tuition is refunded.

Parents withdrawing students from SCA **MUST** initiate the process found on the school website and submit a Withdrawal Form for each student to be withdrawn. For a withdrawal procedure to be valid, parents must sign the Withdrawal Form indicating their intention of removing their student(s) from school. If a student is enrolled, even for one day in a month (including July), parents will owe the entire month's tuition.

No records are transferred if an outstanding balance is on the student's account.

PAY IN FULL and TEN- or TWELVE-MONTH PAYMENT PLANS:

Net Tuition is initially assumed (like the examples above) and divided into ten or twelve equal payments. Upon parents receiving the award notification from the Florida Department of Education and informing the school, the remaining payments will be adjusted to reflect actual Net Tuition. Any Financial Aid awarded by the school will necessitate a similar adjustment.

The 1st payment is due **July 15**, and the last is due **April 15/June 15**. A student's grades and/or report card will be withheld until the student's account is current. On a case-by-case basis, a 12-month payment plan is also offered.

LATE CHARGES:

Monthly tuition is to be paid in advance and is due and payable on the fifteenth day of each month. There will be a late charge of \$50 when the account has not been paid by the last day of each month. If an account is past due for over 90 calendar days, the school will not allow the student to continue as an SCA student. Parents who make adequate arrangements with the Business Office after 60 days past due (and before becoming 90 days past due) must pay a \$500 continuation fee so their student can remain in class uninterrupted. See Tuition Insurance below.

This nominal monthly fee is charged to the student's FACS account. Parents can terminate the insurance after one year of maintaining a current account (no 60-day past due charges) or paying annual tuition in advance. However, many parents elect coverage for peace of mind.
