SCA Summer Learning
OLYMPICS

If your child completes our Summer Learning they will get to participate in SCA's Learning Extravaganza reward at the beginning of the 2024-25 school year!

"Know ye not that they which run in a race run all, but one receiveth the prize? So run, that ye may obtain." 1 Corinthians 9:24

Initial in one square for every 30 minutes of reading or Kahn Academy participation.

When you return to school, turn this form in to your teacher.

First Name_____ Last Name_____ Teacher's Name_____

SCA Summer Learning EXTRAVAGANZA INSTRUCTIONS

Your child will have 2 options in participating in SCA Summer Learning:

- **Option 1**– 30 Minutes reading of your choice

- **Option 2**– 30 Minutes of Kahn Academy (see information below)

On the back of this sheet, please initial a color block for each 30 minute option that your child chooses throughout the summer. If your child completes all 40 blocks, they will participate in SCA's Summer Learning Reward upon returning to school in the fall.

Option 2-Kahn Academy

We are very excited to offer an additional option for our summer academic incentive program! This summer students can reinforce previously learned mathematics skills or work ahead on the next grade level through the Kahn Academy academic program.

Please follow the directions below to set up a free account:

Step 1: Visit https://www.khanacademy.org/. Select Sign up and follow the directions to set up your free parent account.

Step 2: Once you've created your account you'll be taken to your Parent Dashboard. If you're not automatically taken to your Parent Dashboard, you can find it by clicking on your name in the upper right corner of the page, and then clicking on Parent Dashboard in the drop-down menu.

Step 3: Select add a child. You will be asked to create a username and password for your child, enter their upcoming school grade, and their gender. You can also choose whether to allow your child to add other coaches (such as another parent or guardian). When you're done editing your child's information, click Next.

Step 4: Have your child log into their account at https://www.khanacademy.org/.

If you and your child are sharing a computer, you'll need to log out of your parent account any time your child wants to learn on Khan Academy. You can log out from any page by clicking on your name in the upper right corner and then logout.

Step 5: Get your child started with learning. Select getting ready for math in their upcoming grade level.

*You can find additional support for getting started on the Khan Academy website
