

SEFFNER CHRISTIAN ACADEMY

High School Profile

Seffner Christian Academy has been committed to providing a **distinctly Christian** program while providing an education that is challenging and relevant to the 21st century for over 30 years.

Our faculty hold a minimum of a Bachelor's degree and professional teaching certification through the Association of Christian Schools International (ACSI). Many hold additional certifications in the state of Florida and professional organizations. The administration and instructional staff average **fifteen years of teaching experience**.

SCA offers a **challenging college-preparatory** academic program. The curriculum is selected to equip students to meet and exceed state and national standards while also boasting strong National Honor Society and National Junior Beta Club charters.

Students have plenty of options for extracurricular activities through our **award-winning** fine arts and athletic programs. This helps to create well-rounded students who are not only excellent in the classroom but are also able to use their talents to **glorify Christ** in other areas.

All students in grades 9-11 take the PSAT for college exam prep each year. All seniors take the SAT/ACT prior to graduation.

* This course is either an honors course or has an honors option.

WHY SCA?

- Individualized college/career planning available for each high school student.
- 95% of seniors are college-bound after graduation

HOW DO SCA STUDENTS STAND OUT?

ACT and SAT scores rank higher than the state and national averages.

AP courses have an exam pass rate above the national average. Through Bible classes and weekly chapel, our students are prepared to be **spiritual leaders**.
